

# SIRO TRAINING FOR UK POLICE FORCES

UPDATED TO INCLUDE  
LATEST NPIRMT  
GUIDANCE

TRANSFORMING  
BUSINESS  
THROUGH  
SECURITY

## BACKGROUND

In conjunction with members of NPCC, PIAAG and PIAF, Advent IM has developed a bespoke training course specifically for Senior Information Risk Officers (SIROs) within UK Police Forces.

## WHO SHOULD ATTEND?

This 1 day course is designed for SIROs within UK Police Forces who need a more developed understanding of their responsibilities.

## SCOPE OF TRAINING

This tailored training course will cover both the principles of information risk management and information assurance and several desktop scenario based exercises to test and improve your understanding of managing information security incidents and information risk challenges in this area. At the end of the training, you will have the confidence to deal with information assurance incidents should they occur within your Force.

Our  
**independence**  
is genuine

Our expertise  
is **proven**

Our purpose is  
to **enable**

Our company is  
built on **trust**

A Pre-course study package (approximately 2 hours reading) is also provided explaining the principles of information risk management and information assurance, focussing on:

- Risk
  - Components of Risk
  - Risk Appetite
  - Risk Tolerance
  
- Information Risk Management
  - Confidentiality, Integrity & Availability
  - Information Risk Management (IRM) Principles
  - The Benefits
  - Information Risk Appetite
